## Chef Creations

Our chef, a world-class expert in preparing Mediterranean cuisine, following authentic recipes and with experience in the preparation of meals for true gourmets who have been on cruises on our yacht, will prepare first-rate delicacies and a rhapsody of flavours on your table. In an exceptionally pleasurable combination of sea, sun and breeze, you will experience a spectacle on your palate. The Mediterranean food pyramid is based on traditional cuisine consisting of pasta, fresh fruit and vegetables, olive oil and fish, and also includes food typical for this climate, believed to ensure a long and healthy life. *Navigare necesse est!* - says the Latin proverb. To sail is necessary, but it is also necessary to eat, and both can be a supreme experience, especially when combined. We put special emphasis on gastro enjoyment, which, complemented by the very best Croatian wines, makes this story of the sea and tradition in the beautiful environment of our yacht, truly unforgettable. Enjoy the food that will arouse all your senses.
